Options and Scheduling

Clerkship options are listed in the [Harvard ExClerk Catalog \(bit.ly/3P140h3\)](https://bit.ly/3P140h3). **While rotations are available year-round, the Visiting Clerkship Program is only offered for the May through November rotations.** Students are welcome to complete additional clerkships, but the VCP cannot provide financial or programmatic support for those extra months.

Note that spots within the VCP are limited and some applicants may be placed in a clerkship by the HMS registrar but not accepted into the VCP. In those cases, the applicant may still participate in their placed clerkship, but will not be able to participate in the VCP program.

Dates and Deadlines

Deadlines for the VCP application are the same as for the VSLO application. However, we will continue to consider applications for the VCP program up until four weeks prior to the start of the clerkship rotation, *provided that space remains in the program.*

The dates and deadlines for each elective course are posted on the [HMS Registrar's Exchange Clerkship page \(bit.ly/3aGb83t\)](https://bit.ly/3aGb83t), as well as on the VCP website (bit.ly/47rzINc).
