You are receiving this email because you are on the mailing list for the LGBT Office. If you would like to be removed, please email dcp_lgbt@hms.harvard.edu. Thank you.

It’s that time of year, the month of June, when we remember the Stonewall Riots that ignited our movement for liberation and equality. As we celebrate Pride, let us honor our history and recommit to the work in front of us today. I’m thrilled to be part of the beautiful LGBT community both here at Harvard and at our affiliated institutions. Let me know how the LGBT Office can help you continue this important work.

***NIH Funding Opportunities -- FOAs on Sexual and Gender Minority***
This National Institutes of Health funding opportunity announcement (FOA) focuses on sexual and gender minority (SGM) populations, including lesbian, gay, bisexual, transgender, and intersex populations. Basic, social, behavioral, clinical, and services research relevant to the missions of the sponsoring Institutes and Centers may be proposed.
